

HBNet WÄCH NS

85320100

Voltage

Operating voltage	230 V AC
-------------------	----------

Fuse

- short-circuit and overload proof (electronic fuse)

Power

- low intrinsic energy requirement

Measurement

Relative humidity (without condensation)	0 - 65 % (without condensation)
--	---------------------------------

Materials

- no conductive connection between supporting ring and spreading claws

Dimensions

Insertion depth	32 mm
-----------------	-------

Connection

- with screw terminals

Use conditions

Operating temperature	-5 - 45 °C
-----------------------	------------

Identification

Application, usage	Motion detector
Main design line	Electronics platform
