

## R.1 Rahmen Concrete/polarwhite 1gang

10112379

### Architecture

|                   |       |
|-------------------|-------|
| Technical version | 1gang |
|-------------------|-------|

### Materials

|                                                                                                                  |                          |
|------------------------------------------------------------------------------------------------------------------|--------------------------|
| RAL colour                                                                                                       | RAL 7023 - Concrete grey |
| Design lines special colours                                                                                     | grey/polar white         |
| Colour                                                                                                           | concrete optics          |
| Colour                                                                                                           | stone grey               |
| Material / workmanship                                                                                           | grounded concrete        |
| Material                                                                                                         | Concrete                 |
| Surface appearance                                                                                               | glossy                   |
| Type of surface treatment                                                                                        | Not applicable           |
| - natural material that underscores the individual character by means of different structures and colour schemes |                          |
| - smoothly milled surface                                                                                        |                          |

### Dimensions

|        |         |
|--------|---------|
| Height | 81,2 mm |
| Width  | 81,2 mm |

### Installation, mounting

- for vertical and horizontal mounting
- clamp fastening

### Safety

|                     |      |
|---------------------|------|
| Protection index IP | IP20 |
|---------------------|------|

### Identification

|                  |            |
|------------------|------------|
| Main design line | Berker R.1 |
|------------------|------------|

### Instructions

- Not suitable for water-protected, flush-mounted installation IP44.
- The colour of surface material can change when exposed to UV radiation.
- Please observe care instructions in the appendix!
- Caution!  
Natural product made from open-pored material, which is sensitive to grease and dirt.
